SAME OR DIFFERENT

Look at the items below. Spot the differences. A *difference* is how much more or less one thing is compared to another thing.

Do you see anything different?

Try This!

Take 60 seconds to look around the room. Leave the room. The person who is still in the room can move one object. You have to guess what object has been moved. Have fun!

Fátima

THE DESIGNER

Fashion is Fatima's passion; it makes her dance and smile! Designing is a gift she uses to show her pride and style.

We Grow!

Everyone grows out of their clothes. What do you do with clothes that are too small for you? Do you keep them in the back of your closet or in the basement?

CHALLENGE!

Bag up the clothes you can no longer wear and find a great place to give them away.
