

## Activity

### IT'S IN THE DETAILS

Christopher has to follow directions to make things work properly. Try the activity below with a friend or family member.

## Materials

Blindfold  
Paper  
Writing Utensil

## Instructions

Step 1: Sit down at a table or a desk with a pen and paper

Step 2: Have a friend or family member hide your sight with the blindfold.

Step 3: The person who helped you with the blindfold can now read the directions below.

Step 4: Follow the directions you hear as best you can. Please don't peek.

## Instructions

Describe drawing a ladder to your young reader by using words like *horizontal* and *vertical*.

## Extra Challenge

Ask your young reader to draw the following objects without lifting their writing utensil.

**Box Rock Heart**  
**Sock Hammer Rock**

# Christopher

## THE CARPENTER

Christopher keeps his tools handy for building and quick repairs. He can build a park bench or fix the front porch stairs.

### FRIENDS HELP TO BUILD!

Building things most often requires a helping hand or two (sometimes few. In the book, you can spot Christopher working together with his friends to build something new!

**LOOK AROUND YOU AND FIND THINGS THAT HAD TO BE BUILT FOR YOU. CAN YOU FIND THREE THINGS?**

### LINES

HORIZONTAL LINES GO LEFT AND RIGHT. VERTICAL LINES GO UP AND DOWN
